ecofriendly skin and spa products and therapies

PRETTY PROTECTION

Eye Attitude by Dr. John Tobin is a skin-loving, soothing, moisturizing and conditioning cream.

The powerful formula improves the appearance of skin while protecting it, says the company. It's a pan and vitamin E and F work together to fight the visible signs of stress, pollution, toxins and climate change. www.drjohnstobin.com

SWEET SIMPLICITY

Olie Biologique skin care products are made from EcoCert certified, 100 percent organic, vegan, alcohol-free, essential oils. The pure, essential quality beauty oils effectively provide radiant, hydrated skin, says the company. The Olie Biologique collection has products to meet the needs of every skin condition, so each oil has specific healing benefits. www.ofbiologique.com

Olie

SURFACE RENOVATION

Catalyst from **Omnia Skin Care** is a skin-rejuvenation serum with **MAP-2™**. The combination of amino acids and co-factors is formulated to repair DNA damage and assist the production of proteins and antioxidants within the cells. The result is improved overall health, lightened hyperpigmentation, a reduction in wrinkles, and stimulation of collagen. www.omniaskin.com

BRANCHING OUT

Marlene Katz, one of the first pioneers of the day spa concept and holistic spa treatments, has opened **Intelligent Skin Sense (ISS)**, a green spa in Fairfield, CT. Katz created ISS for the purpose of providing quality age fighting services and products. The spa's guiding principles are integrity in all business endeavors, excellence in services and products and contributing to society at large. Katz has been an innovator in the spa industry for nearly 25 years. www.intelligentskinsense.com
