CANCER CARE / 9 MARCH 2011 **GIRLS' NIGHT OUT** Women came out in support of CancerCare for a night of cocktails and shopping at Lillian August in Norwalk. Shoppers enjoyed live entertainment, a luxury silent auction, bag bar and designer consignment boutique while they sampled hors d'oeuvres and sipped wine. The event was the organization's ninth annual, raising funds to support free services for Connecticut families and individuals affected by cancer. Last year, the event raised \$40,000. *MEDIA SPONSOR: SERENDIPITY MAGAZINE*
